## **RE: 2012 MCTC Membership Fee Schedule**

Dear Members,

For the 2012 calendar year, the ACTA and VCTA levies charged to all ACTA members have increased from those levied in 2011. These fees and levies form the major component of the total fees and are in addition to the membership fee charged to members by the Mornington Clay Target Club Inc (MCTC).

Due to increases in ACTA memberships, the committee of the MCTC has elected to apply an increase the MCTC membership for the 2011 calendar year. *Please note that all memberships received at the club prior to Jan 31 will receive (up to) a \$10.00 discount from the schedule, depending upon the fee category (conditions apply).*

Each fee category will attract the ACTA and VCTA levies, ATCA Membership or VSCA Membership. All applications include the component of the MCTC membership fee.

We are a progressive organisation and seek to return every membership dollar back to developing the club into a successful venue for its members and fellow shooters participating in our sport.
